

Jacuzzi d'extérieur / Outdoor Jacuzzi

Découvrez les différents types de jacuzzis d'extérieurs confort, luxe et bien-être à domicile.

Avec des fonctionnalités: télévision, jets hydro massants, audio, bluetooth, cascades lumineuses, cuves extra-profondes, mais aussi des technologies de l'aromathérapie et de la luminothérapie.

Pour 2 personnes, 4 personnes, 7 personnes, profitez de moments de détente en famille ou entre amis.

Discover the different types of outdoor Jacuzzis comfort, luxury and well-being at home.

With features: TV, hydro massage jets, audio, bluetooth, light cascades, extra-deep tanks, but also technologies of aromatherapy and light therapy.

For 2 people, 4 people or 7 people... enjoy moments of relaxation with family or friends.

Plain elegant charm, pure natural feeling, accompanying with scenery, with space, forms a splendid contrast, becomes the interest, it reveals the truth. Let each space, each combination, each detail of bathroom fully demonstrate different savor, different individuality, different cultural feeling, form a new concept of beautiful house. The life should be original, does not want added burden and only want pure relaxedness and extremely simple natural quality. The principle of simplicity is not decoration technique, is an order gets rid from disorder, which builds the comfort. When you are taking a bath that white froth is accompanying the steam continuously "provoke" your most sensitive mood, will build the love atmosphere for you.

SPA Series.

M-3333

size:320x220x115cm

SPECIFICATION

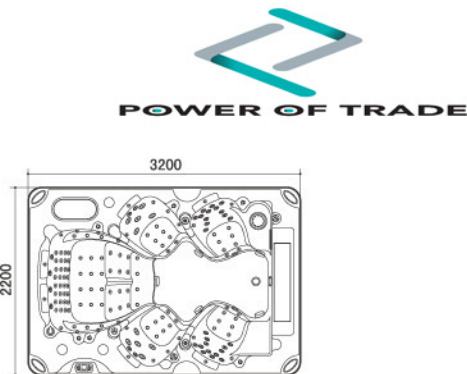

Rated Voltage: AC220V
Rated Frequency: LF50Hz/60Hz
Control circuit Voltage: DC12V
Air pump horsepower: 700W
Water pump horsepower: 3HPx3+0.5HPx1
Heater horsepower: 3KW
Bottom lamp horsepower: 20W
Tub: 3200x2200x1150mm
Packing size: 3300x2300x1250mm
Gross weight: 679kg
Net weight: 539kg

FUNCTION

Radio and CD input
Heating system
Illumination system
Massage jet system
Ozone disinfection system
Circulating filtration system
Computer control panel
Air froth system
TV, DVD
Bass

COMPONENTS

Water pump(3HP): 3pcs

FUNCTIONAL CONFIGURATION

OF SPA

Neck and shoulder massage spray nozzle

When you stay in MONALISA SPA, the sour bloated sense of neck of shoulder will disappear completely because of these wonderful spray nozzles, the intensive and comfortable massage current relax your neck and shoulders like arms.

Strong foot massage

More and more people realize the importance of the foot attends, after a busy day, there is not any more satisfied thing than enjoy foottherapy with MONALISA SPA in your own family. Original designed foot massage spray nozzle can conciliate your feet safely, its power comes from the directional strong spray nozzle, its motive force is twice of a massage spray nozzle of hydrotherapy, and it is so simple to relax the foot.

1.You can choose the direction of your life--- such as health and happiness. But with a Monalisa spa you will know that the best place is right there-----your home. Once you own a Monalisa spa, you can enjoy many therapeutic benefits of our incomparable SPA design, and you will know that what luxury life is.

2.The ultimate foot massages come from Monalisa Spa. It is all powered by a separate oversized pump to soothing relief for tired, ache feet.

3.Our exclusive reverse molded neck jet seat feature a ledge with specially designed jets that are trained downward putting your neck and shoulders under the jets for the ultimate tension-relieving massage.

4.With a Monalisa Spa, you can rest assured that the quality of the water is up to all industry standards. And it does it all using the same filtration techniques as Mother Nature-----with 90% less chemical usage than other system.

5.Ozonation: our system uses a high-out put Ozone generator to help ensure that any remaining bacteria will be destroyed.

6.Our optional LED lighting package is another feature of our spa. In Monalisa spa, it provides a beautiful cascade of color illuminating the press seat, the reverse molded neck seat, the waterfall and more. There are a wide range of colors for your choice.

7.In Monalisa spa, every seat has been designed to fit the contours of human body. Using advanced, computer-assisted way, our engineers have created form-fitting seats that perfectly accommodate the human body. A few of

the highlights are shown here:
a.verse Molded stress Relief Seat
b.Lounge
c.Foot Therepy System
d.Therapy seat

8.Monalisa Spa gives you as many therapeutic jet configurations as we can. With up to 100 jets on some models, you will have your choice of a full-body massage or concentrated neck and shoulder relief. And most jets are adjustable allowing you to customize every seat in the spa.

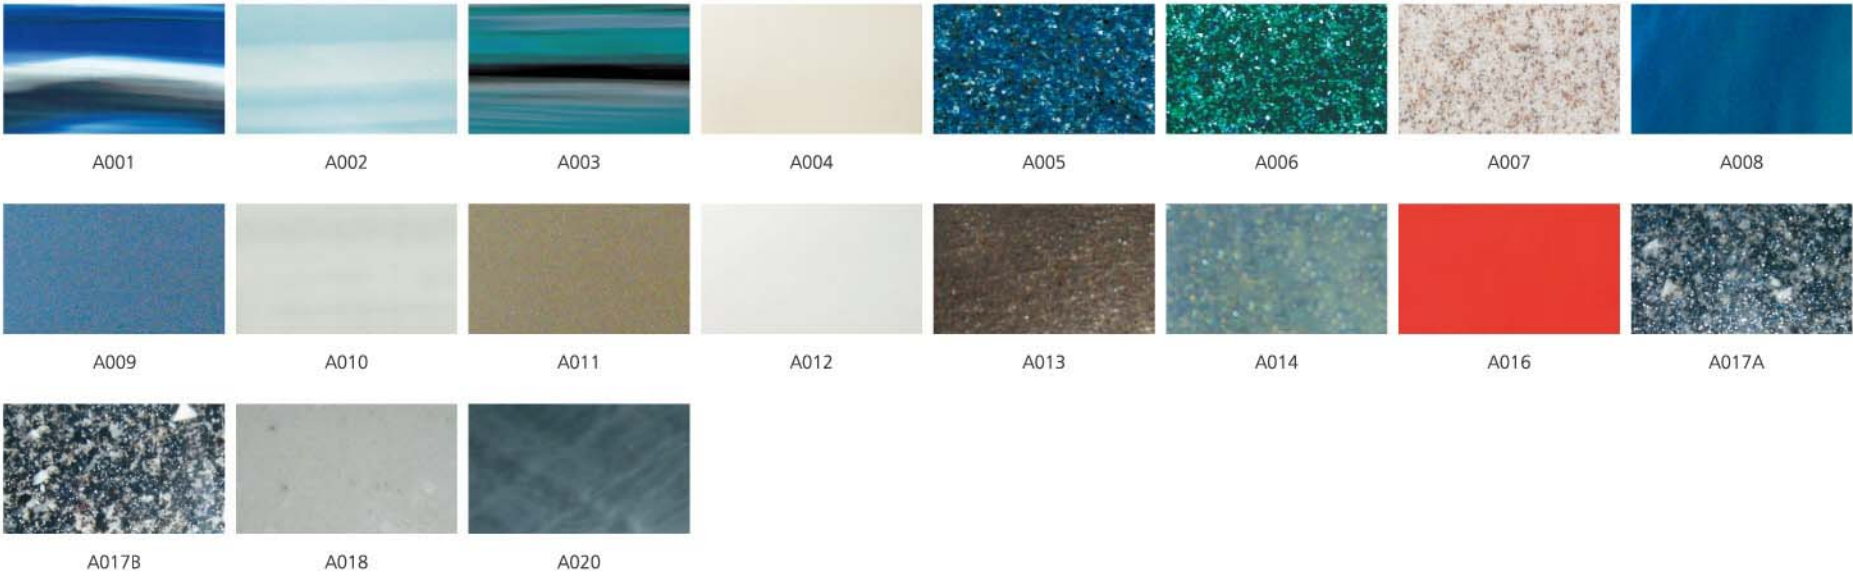

9.The spa theater system
Our high-performance Pop Up TV system components set the standard with forward-looking design and advanced functionality. It is so easy to control and remain.

10.We have designed a number of spa shapes and size to fit beautifully in the setting of your home, you can choose the right size spa according to different house. You can relax yourselves at your home at any time with Monalisa spa at any time..

11. This is where you belong:
Owning a Monalisa SPA is an experience you never had. No matter when, you can release your mind and soul from tension and fatigued. At the same time, you can enjoy the happiness and health which monalisa spa brings to you.
